

Project Funding Checklist

Before turning in your HERO Completion Certificate, please be sure all items required for the product are also included. If any items are missing or incomplete, completion documentation may need to be resubmitted, resulting in funding delays for your project.

There can be no alterations to the product listed on the Completion Certificate without consulting the HERO Program.

All Projects

- Signed HERO Completion Certificate

In addition, the following projects will require the items listed below:

Product	Copy of Initial or Final Building Permit ¹	Additional requirements	Signed HERO Completion Certificate
Air Sealing and Weatherization		Pre-/Post-Air Sealing Blower Door Test Results	X
Cool Roof – Prescriptive and Performance	X		
Energy Audit		Copy of Energy Audit Report (CA only)
